4 Redeeming Points

4.1. 10 points have a credit value of AED 1 (one UAE Dirham) which shall be redeemable on the guest's next hotel bill against Hotel related services and facilities. The Hotel related services include food & beverages, sports facilities, room rates and room upgrades (payable directly with the hotel only) telephone charges and any other facilities or services as announced by the hotel.

Points shall not in any case whatsoever or under any circumstances be redeemed as cash payments or in Hotel shops, for tour bookings, taxi fares or car hire.

4.2 Points are redeemable only from the Front Office Cashier/Receptionist and not in any of the hotel's outlets. Members wishing to pay for a redeemable service or facility with their points should sign the amount to their room bill and advice the Front Office Cashier upon check-out how many points they wish to use, at which point redemption receipt shall be completed.

4.3 Any member not having earned points for 24 consecutive months may be removed from the programme. In this case a voucher for all accumulated points will be issued to the member via mail to the member's mailing address on file.

The member will have 90 days from the date the voucher is issued to take one of the following actions:

Failure to take action as described above within the prescribed 90-day period will result in the closure of the member's account and the forfeiture of all accumulated points.

5 Points Expiry
