Jebel Ali  
Beach Hotel

Dubai

THE PERFECT  
*compliment*

Award-winning family resort.  
Always active, relaxing, pampering.

## This award-winning five-star family beach resort is the byword for luxury resort living and sporting pursuits in this part of the world.

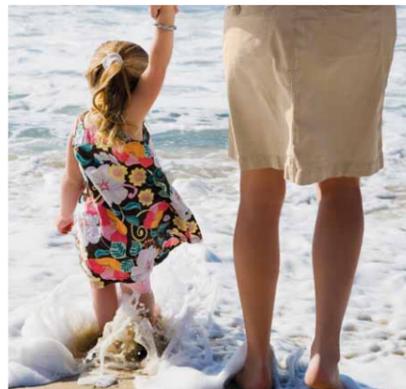

This hotel is part of the Jebel Ali Golf Resort, a premier destination resort on the Arabian Gulf, and when you arrive, you just will not want to leave. Because of the chic dining on offer in over a dozen restaurants and bars. Because of the superb sports and leisure facilities that run from watersports to horse riding and the freshly combed private beach. Definitely because of the 9-hole championship-standard golf course and a PGA certified golf academy.

The kids have plenty to choose from too. Whether it's playing in one of the children's pools, taking a ride on a camel, or hanging out in the CoolZone kids club, they'll be having the time of their lives.

From the moment you arrive, we're listening. Nothing is too much trouble, no detail is overlooked. Take a deep breath and relax. Welcome home.

## Leisure and relaxation on tap

Reaching right down to the sands of our private beach – that stretches for 800, palm-lined, metres – the 128 acres of lush tropical gardens reveal walkways, pools and waterfalls. Then there are four temperature-controlled pools – one saltwater and three fresh water – with three swim-up bars, made for letting the pace of everyday life slow down to an amble.

Letting go of tension is also the aim of our world-class spa, where ten treatment rooms offer a menu of over 40 holistic relaxation therapies from trained professionals. It's a revelation to emerge out from the Hammam scrub or an intensive massage, wrap or contour treatment and stare out over the peaceful Arabian Gulf.

Whatever your choice of activity, we've thought of it. Golfing on our 9-hole championship standard course, deep-sea fishing or trying your arm at archery – we have it all for you. You can water-ski or snorkel, play a set of tennis or badminton, or just sit under an umbrella on the beach with a cool drink and take in the vivid blue of the sea.

Whatever you choose, we're excited to know what makes you smile and say, "It's our pleasure".

## An exceptional range of sports to dive into

Our pride and joy is the 9 hole championship-standard Golf Course. With a floodlit driving range and a PGA-qualified golf academy, it is one of the finest facilities in Dubai. The resort also has its own horse-riding stables with a private paddock, 80-berth marina and Al Boom Diving Centre and Watercooled offering a range of watersports. There are floodlit courts for tennis, squash and badminton and a well-equipped gymnasium. Just down the road is the JA Shooting Club, where Olympic Trap, Double Trap and Skeet facilities are all available. So if relaxing for you means getting up and getting going, we've got you covered.

## Let your tastebuds travel

The Resort offers 15 dining alternatives that are as diverse as their menus. From the White Orchid restaurant serving the finest Asian fusion cuisine to the classic favourites of the floating restaurant DiVAZ, there is something for every taste and every whim. At Shooters, you can sink your teeth into a juicy steak, American style. There are regular taste-themed dinner buffets at La Fontana and Ibn Majed for casual dining at The Anchor beach bar and Captain's or authentic Italian at La Traviata. So whether your hankering is for sushi, burgers or bolognese, you'll find it all here.
