SIGHTSEEING

Dubai Creek has played a major role ever since Dubai flourished as a pearl fishing village. Along this famous waterway, modern buildings stand their ground alongside remnants of historic landmarks which whisper secrets of a time when Dubai came into its own.

Cruise past some famous Dubai sights such as Sheikh Saeed's House, Bastakiya, Spice Souq, Gold Souq, Heritage and Diving Village, Grand Mosque, Dhow Wharf, Abra Stations, Maktoum Bridge, Dubai Royal Courts, Clock Tower and the Floating Bridge. A courtesy cruise map will be offered to all guests of Bateaux Dubai.

THE CAPTAIN'S TABLE

Experience 360 degree views of the stunning Dubai Creek by night at the Captain's Table, the most exclusive position onboard.

Enjoy a selection of freshly prepared gourmet cuisine from our international chef's special menu, aperitifs at the beginning of the cruise, champagne sorbet, specialty coffees, cognac and port, making this a unique and inspiring experience. Also be prepared for a personalised visit from our chef de cuisine, to your table, during the evening. The Captain's Table sits up to eight guests and is a truly memorable experience.
