

Sign Up for Football 7's

Due to the success and demand, Jebel Ali International Centre of Excellence is returning this January 2012 with our men's and new vets (35+) leagues! Two 25 minute high energy matches every week back-to-back with our unique twist on things.

League Process

Each team plays each other once. The top half of the table then enters the Premier League, with the bottom half entering the championship. From here each team will play each other twice in their new division competing against teams of parallel standard.

Jebel Ali 7's Vets League (age 35+)
